UTOK

UTOK

UTOK (Utopia) is a project of the UTOK Foundation, established in 1998. The project is aimed at the development of the Utopia region, which is one of the poorest in the country. The project is based on the idea of creating a new community, where people can live and work together, and where they can improve their living conditions. The project is supported by the state and the private sector.

The UTOK project is a multi-year project, which is aimed at the development of the Utopia region. The project is based on the idea of creating a new community, where people can live and work together, and where they can improve their living conditions. The project is supported by the state and the private sector.

Razstava **KAM SO ŠLE VSE FABRIKE**, ki so jo zasnovali Marko Kumer, Goran Završnik in Matjaž Jug ter oblikovala Katarina GOLTEZ, je podaljšana do vključno 21. septembra 2013.

Zadnji dan, v soboto ob 11.00 bo v parku Evropa ob izteku razstave slavnostno zaprtje. Ob tej priložnosti bo o razstavi spregovoril eden njenih pobudnikov Goran ZAVRŠNIK. Predstavil bo tudi stroja iz Titana in Svilanita in postindustrijski instalaciji Roka CAPUDRA. Avtor besedil in izbora fotografij Marko KUMER bo pripravil krajše javno vodstvo in pa ekskluzivno - samo enourno priložnostno razstavo originalnih predmetov iz kamniških tovarn.

Končali bomo s sproščenim klepetom, na katerem bomo nabirali ideje za nadaljevanje projekta.

Toplo vabljeni.

Medobčinski muzej Kamnik in
KD Priden možic Kamnik
vabita na

**zatvoritveno slovesnost
ob koncu
postindustrijske razstave**

Kam so šle vse fabrike
